Start Hearing Electric Boat Discount Program

All Start Hearing credentialed hearing professionals may participate in the discount program.

Process Overview

- 1) Patient will call Start Hearing referral center and speak with a Hearing Care Advisor (HCA).
- 2) HCA will discuss patient's situation and schedule an appointment with a Start Hearing provider.
 - If a patient does schedule directly with a network provider, please contact Start Hearing at 888-901-8141 to confirm membership eligibility.
- 3) A current member pricelist will be supplied with each appointment confirmation.
- 4) Provider will give the patient a free hearing consultation, and if necessary perform additional testing and diagnostics in accordance with usual and customary office procedures.*
- 5) Payment for order will be collected by the HCA either at the time of the order or at the time of fitting.
 - All hearing aids must be paid for in full before a patient can take possession.
 - Payment can be made with check (payable to Start Hearing), credit card, eCheck, or financing.
- 6) Provider will place hearing aid order with Start Hearing.
 - Standard product orders may be called in to 866-925-1287.
- 7) Provider will fit patient; at the fitting, patient will need to sign the Start Hearing Bill of Sale. All fields must be completed, confirming delivery of product. At this time, the HCA will also collect any final payment due.
- 8) After the 60-day trial period, Start Hearing will issue dispensing fee to provider.

Program Benefits

- Office visits within the first year are at no charge to the patient (limit of 6 visits).
- All available hearing aid models include a free 3-year warranty.
 - Warranty covers repair and 1-time loss and damage.
- Hearing aids will ship with 1 carton of batteries (40 cells).
 - Premium and Advanced level hearing aids also qualify for 2 extra cartons (80 cells) per aid.
 - Additional years of batteries will be shipped directly to the patient.
- Free earmolds and standard receivers when ordered with a hearing aid.
- Absolute Power (AP) receivers may be ordered for \$149.00 each.

Other Fees

- Repairs, remakes, and L&D replacement will be processed under provider's commercial account. Standard fees apply.*
 - A processing fee of \$250* per hearing aid for the replacement may be billed directly from the office to the patient upon disclosure of the fee.
- Hearing aids are remade for fit issues only.
- Remakes for the same ear and/or shell type will be covered under the new product warranty for one year.
- AP receivers may be ordered for \$149.00* each.
- Exchanges may only take place within the 60-day trial period. Please contact your dedicated HCA to initiate the exchange process.
- If aids are returned, provider may collect \$100* per aid as a return service fee.
- Provider reimbursement is not paid on returned products. If a fee has already been paid, provider must remit amount to Start Hearing within 30 days of the return. Provider may also have Start Hearing collect the fee from a future payment.

***Any associated fees must be disclosed BEFORE being billed to the patient.**
